

The Ice Is Nice and Chee-Chee Is Peachy (Paperback)

By MR Richard H Havermale Jr

Richard Havermale, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Over 100 years ago Roald Amundsen on March 7, 1912 announced his success in reaching the Geographic South Pole to the world. This is the story about the construction of the South Pole Station in Antarctica in 1973-4 by Naval Mobile Construction Battalion (NMCB71), also known as the ICE Battalion, which the author was a member of. The difficulties encountered in the construction of the station were monumental; enduring temperatures reaching 45 degrees below zero with wind chill factors reaching 80 below. This station was comprised of a 52 foot high geodesic dome, weather balloon launch station and an observation tower for monitoring auroral phenomena. This Battalion was on the ICE for almost five months and worked around the clock to complete the project. This was an amazing fact when you consider that most of the construction was completed in freezing temperatures at a high altitude; for the South Pole is nearly two miles high by construction engineers less than 20 years old. The physical and mental stresses of working in this frozen desert took its tolls on these young men. This story...
