The Last Dream We all dream of the perfect gift for Christmas. But what if it were the impossible and only the spirit of Christmas could make your dreams come true? Set in a picturesque town in New England, an unexpected meeting with a stranger and the gift of six magic baubles begins the journey, with a lost soul dreaming that his late wife would be returned to him in time for Christmas. Travel the globe to Africa, London, Paris, Sweden, Switzerland and even through time, to collect the pieces that make the most perfect Christmas to dream of. There is just one catch. Will the last dream be granted, the one that makes them all real? An enchanting story that encompasses the essence of everything that is Christmas.
