This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. (Music Minus One). Antonio Vivaldi created his groundbreaking and magnificent La Stravaganza to show the violin in all its diverse and extravagant forms, building on the great concerti he created with his set entitled L Estro Armonico. Utilizing numerous then-innovative violin techniques, Vivaldi created a wild excursion through the violin s capabilities and we still relish these pieces today, while significantly expanding and nurturing his slow movements as contrast to the outer movements of the concerti. This first volume (comprising the first two concerti in the set) give you a great introduction to this true Vivaldi extravaganza! This deluxe set includes a second compact disc containing a slow-speed version of the accompaniments to help you get up to speed. Includes a newly-engraved edition of the concerto on high-quality ivory paper; and a digital stereo compact disc featuring a complete performance of the concerto with orchestra and soloist, followed by a second performance minus you, the soloist; and a second compact disc containing a full-speed version of each complete concerto followed by a special -20 reduced-tempo version of the accompaniments for practice purposes. The concerti are voluminously indexed for your practice and performance convenience. Performed by Bojidara Kouzmanova, violin Accompaniment: Plovdiv Chamber Orchestra Conductor: Nayden Todorov.
