A LOVE IN JEOPARDY In 1993, artist Gabriela Martinez almost lost her life to a sociopath's twisted vision. If not for Richard Harrison, the operative sent to protect her, she would have ended up dead. A NEW THREAT After catching a glimpse of Gabriela's new work, The Book of Hours, Arnold Wickeham has been like a man possessed. Now, he will do anything in order to claim it, and nothing, especially not Gabriela, will stand in his way. THE PAST IS CATCHING UP Richard Harrison has never given up his true love, Gabriela. Now someone new is threatening her life, and he will risk everything to protect her. But the stakes are now higher, and there is much more to lose. And, if he doesn't stay one step ahead of the danger, her life, but especially, their future, may very well go up in flames.
