## UNIFICATION CHURCH (PAPERBACK)

ZONDERVAN, United States, 1995. Paperback. Condition: New. Revised ed.. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The Unification Church and its founder, Dr. Sun Myung Moon, have been in the center of controversy because of their recruiting practices, their financial holdings, and their authoritarian style--including arranged, mass marriages. Most controversial in terms of its teachings is Dr. Moon's claim to be a new Messiah who will finish what Jesus left undone. Is he the Messiah, and is his Diving Principle the third testament of the Bible? Why this series? This is an age when countless groups and movements, old and new, mark the religious landscape in our culture, leaving many people confused or uncertain in their search for spiritual truth and meaning. Because few people have the time or opportunity to research these movements fully, these books provide essential information and insights for their spiritual journeys. All books but the summary volume, Truth and Error, contain five sections: -A concise introduction to the group being surveyed -An overview of the group's theology - in its own words -Tips for witnessing effectively to members of the group -A bibliography with sources for further study -A comparison chart that shows the essential differences between biblical Christianity and the group -Truth and Error, the last book in the series, consists of parallel doctrinal charts compiled from all the other volumes. - Three distinctives make this series especially useful to readers: -Information is carefully distilled to bring out truly essential points, rather than requiring readers to sift their way through a sea of secondary details. -Information is presented in a clear, easy-to-follow outline form with menu bar running heads. This format greatly assists the reader in quickly locating topics and details of interest. -Each book meets the needs and skill...
