

Culver s Patent for Protecting Wood from Sea Worms and Limnoria: Also, an Illustrated Treatise on the Appearance and Habits of the Teredo and Wood Boring Shrimp (Classic Reprint) (Hardback)

By John P Culver

Forgotten Books, 2018. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Culver s Patent for Protecting Wood From Sea Worms and Limnoria: Also, an Illustrated Treatise on the Appearance and Habits of the Teredo and Wood Boring Shrimp When it is considered that the boiler necessary in such treat ment would have to be long enough to accommodate the longest piles used, which in the majority of cases approximate sixty feet in length, it can readily be observed what cumbersome appliances are required to carry on this process, and why the cost should be so great and the treatment fall into disuse. It is evident, on the contrary, how easily piles and sub merged timber can be protected by the covering process in this invention, quickly, cheaply, and at few hours notice, as the apparatus simply consists of a movable asphaltum boiler not to exceed fifty gallons capacity operated in the immediate vicinity of the work, only requiring a few minutes to cover and fully protect each pile ready to be immediately driven. Two destructive elements have to be considered in protect ing piles in salt water: First, the Teredo and Boring...
