Carl's perspective is truly unique and insightful in understanding the global economy and the geopolitical situation today, which is why this book is so helpful and timely. - Steve Forbes Will America remain the world's preeminent power? Could emerging market countries like China challenge our leadership? Can America avoid the low growth, high debt fate of Japan and Europe? Learn how America can stay a dynamic global leader by following a pro-growth economic agenda, rebalancing eight key relationships, growing with emerging markets, pursuing a realistic China policy, and executing a forward-leaning trade policy as well as a conservative foreign policy. This book is a blueprint for America to remain the strongest and the most prosperous, independent, respected, and influential nation in the world. We just need to follow it to build both a new American century.
