Createspace Independent Publishing Platform, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.To Piper Anderson, fate has always been that unavoidable circumstance that befalls a person. Some people are destined to be happy, and others, like Piper, have a rougher road. Each time she tries to step off her predetermined path in search of happiness, someone or something drags her back to it. Heartbroken after Bobby allows his own past to come between them, Piper is eager to leave Edenville behind. With Jules as her companion, she heads back to New York, the place where it all began, in search of a piece of her history that isn't tarnished. Although finding the truth isn't nearly as difficult as Piper imagined it would be, she can't shake the feeling that what she has discovered may be too good to be true. Can Piper find what she is looking for and finally change her own fate? And will Bobby be a part of her new life?.
