To earn income from home with real companies like Xerox, Apple, Uhaul, HSN Williams Sonoma or get money for your Home based business and learn how to stand out get hired for remote jobs worldwide the second edition of Home Made Money is for you! Home Made Money is a guide to surviving the shift toward a post-employment economy. In this second edition Dr. Richelle Moore shares her predictions about a new workplace landscape. As employers feel pressure to raise wages they re looking for more ways to cut corners and remote work seems to be the answer. Soon, every employee will employ an assistant and permanent jobs will be nearly eliminated. Employers will become clients and all work will be done on a per project or contract basis. Now-a-days everyone has a home office, a computer and an internet connection. Companies are asking, Why should we provide office space, computer equipment, printers, software, break room accessories or even toilet paper for the restroom in the office? Your employer can simply allow you to use your own equipment...
