University of Nebraska Press. Paperback. Condition: New. 216 pages. Dimensions: 8.8in. x 5.9in. x 0.6in. Food has functioned both as a source of continuity and as a subject of adaptation over the course of human history. Onions have been a staple of the European diet since the Paleolithic era; by contrast, the orange is once again being cultivated in large quantities in southern China, where it was originally grown. Other foods remain staples of their original regions as well as of...
