Getting Your FREE Bonus Download this book, read it to the end and see -BONUS: Your FREE Gift- chapter after the conclusion. Knots: (FREE Bonus Included) 20 Indoor Knots, Outdoor Knots And Sailbot Knots With Instructions You will know a variety of knots even if you do not know the name of the knot. This is because they are in constant use in your own life and the daily situations you meet. Whether you need to tie a shoe lace, quickly tether something to the ground, or even add string to a guitar or kite; you will be using them every day. Although this basic knowledge is useful, it is surprisingly easy to build on this and discover a much bigger array of knots which can be extremely helpful in a variety of different situations. Most people assume that being able to produce a good knot is something that a sailor or mountain climber should know. Whilst these people will need a good understanding of the different knots; there are actually a limited number of knots which are essential to each of these hobbies. The actual range of knots is much larger and can be used in an array of situations; to complete things that the average person could easily have to face on a daily or weekly basis. Of course, knots are also important if you find yourself in a survival situation. The ability to secure a covering or create a fishing line may make the difference between your survival or not. It will also provide you with the opportunity to pass this knowledge onto your children and ensure that they have the necessary skills to survive in...
