Synergebooks, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Doc Schoennauer like his grandfather and his father before him, was a plumber. He enjoyed his work, but it was an expensive proposition running his own business and finances were getting tighter all the time. Then one day on a plumbing job, Doc finds a duffel bag full of cash in a crawl space behind a shower stall. It was the answer to all his financial worries, so he takes the money and never looks back. When convicted drug dealer Victor Lasavage returns from prison to retrieve his money and finds it gone, murder would be merciful compared to what he has in store for Doc and his son. What do you do when a psychotic criminal threatens to destroy all you love and you can't go to the police for protection? The only answer is to go to the Mafia and risk making a bad situation worse.
