Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Fake news is not new. Even the Gospel writers at the dawn of Christianity were aware of the wolves in sheep s clothing, intent on distorting the message. Six centuries later, the Prophet Mohammad claimed that Christianity was no more than a manipulation of the true message of Jesus. This series of essays acknowledges that possibility and endeavors to focus on a credible Jesus and a lovable God. Prepare to have everything you ever believed challenged.
