Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from When You Marry Getting married and raising a family today require advance preparation. Most couples want their marriages to succeed. But wishing happiness is not enough. Marriages that have been preceded by study and careful mate selection and which are followed by skillful handling of adjustments have high success rates. Without adequate preparation anything can happen! This book has been written to supply the kind of guidance that is sought and needed when you marry. A class of out-of-school adults may prefer to consider the entire last section, Family Life Yesterday, Today, and Tomorrow, before taking up the more person-centered materials. This is functional education: to start where the person is and work outward, in this case to a broad understanding of the entire gamut of marriage and family problems. We hope the book will...
