WUTHERING HEIGHTS: THE GRAPHIC NOVEL (PAPERBACK)

Classical Comics, 2011. Paperback. Condition: New. John M Burns (illustrator). Reprint. Language: English . Brand New Book. That minx, Catherine Linton, or Earnshaw, or however she was called - wicked little soul! She told me she had been walking the earth these twenty years: a just punishment for her mortal transgressions, I ve no doubt! A favorite book of many readers, this is the classic tale presented as a full-color graphic novel, featuring beautiful hand-painted watercolor artwork. The traditional approach taken to the art creates a wonderful sensory experience to engage any reader, while staying true to the original prose novel by utilising authentic text and dialogue. Designed to encourage readers to enjoy classical literature, titles in the Classical Comics range stay true to the original vision of the authors. They also offer alternative text versions to cater for different readership levels. This title has been moderately and sympathetically abridged from the original text to fit within the graphic novel format.
