Saunders, 2012. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: Quickly learn to perform daily tasks using Electronic Health Record (EHR) software with realistic, hands-on experience! Utilizing Carol J. Buck's proven step-by-step approach and new Practice Partner v9.5.1 software, this concise, interactive kit helps you develop the knowledge and skills you need to effectively use EHR software and succeed in today's medical office. Eight daily tasks simulate realistic interaction with EHR software and provide hands-on practice creating patient records, importing health history records, reading and interpreting patient files, and more. Companion Evolve Resources website provides easy access to sample forms you can use to complete daily tasks, such as patient information forms and progress notes. Fully functional Practice Partner demo software included on the enclosed CD familiarizes you with EHR software and tools similar to what you'll use in a real medical office. Exercises at the end of each task test your knowledge and understanding, and help you identify areas that require additional practice. NEW Practice Partner v9.5.1 software gives you hands-on practice with viewing a patient's demographic and insurance information directly from a new appointment scheduler view.
