

## Leed Green Associate V4 Exam Complete Study Guide (Second Edition) (Hardback)

Filesize: 3.31 MB

### ***Reviews***

*An incredibly awesome pdf with perfect and lucid explanations. I have read through and that i am confident that i am going to gonna read yet again yet again in the foreseeable future. I am quickly can get a delight of reading a created book.*  
**(Mr. Johnson Hane)**

**LEED GREEN ASSOCIATE V4 EXAM COMPLETE STUDY GUIDE (SECOND EDITION) (HARDBACK)****DOWNLOAD**

LDCT Pub, 2016. Hardback. Condition: New. Language: English . Brand New Book. -Second Edition includes digital resources. **PASS THE LEED GREEN ASSOCIATE EXAM WITH FLYING COLORS!** The LEED Green Associate V4 Exam Complete Study Guide aims to provide deep insight into the principles of green building; and helps the reader to learn, rather than to memorize the essential information for the exam. Thus, this approach equips candidates to successfully pass the LEED Green Associate exam with flying colors in order to actively apply green building and LEED principles in real life. It does not matter how much time passes after taking the exam, as learning the real reasons behind the green building and LEED principles through observation will help to consolidate this information concisely. This book is the only resource a candidate needs in order to successfully pass the exam. As LEED v4 is quite different in comparison to the former versions, the book was entirely re-written; thus, it was not updated from a previous edition. All of the chapters contain guidance on the aspects that require extensive attention, while the book points out the finer details to focus on for the exam purposes. Even though the LEED Green Associate exams are sometimes referred to as conceptual exams, in reality the exam goes well beyond that. Without diving into the LEED prerequisites and credits, a candidate cannot ever guarantee passing the test; as a result, the book covers the core concepts of each LEED credit category, and then evaluates the LEED prerequisites and credits to demonstrate how those green building concepts turn into real projects with LEED requirements. Pass the LEED Green Associate exam with flying colors! Thoroughly understand and apply the green building principles for life, and retain all the information you have learned Apply the green building and...
