It is just one of the best publications. This can be for anyone who states that there was not a well worth reading through. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Memorandum on Peace Terms But if it be true that the main responsibility for the conflict rests upon imperialism, none the less there must be no question of giving way to the kind of despairing fatalism expressed in naive formulas such as that of the unfortunate social-democrat German soldiers who repeat like a lesson or a pass word, Capitalism has caused the war Such folk might as well bend the knee with resignation before the detestable philosophic dictum which a Prince of the Church has pronounced regarding the war, possibly with the idea of excusing the Catholic and Apostolic monarchy of austria-hungary, God smites, the better to heal. All the good sense and good feeling of the working-class, all its years of struggle and champion ship, protest against this tendency to hide under vague formulas real responsibilities and guilt.
