In GEARED: God s Empowering Ammunition to Reach, to Enlighten, and to Deliver, Carolyn Alexander Brown provides spiritual wisdom for parents and educators, explaining how they can properly equip themselves and make personal adjustments as they lead children toward their God-given destiny. In this inspiring guidebook, parents and educators are given insight into the effective communication that will motivate youths and influence them to follow their spiritual path. Brown offers spiritual principles that will empower parents to become strong advocates for their children while providing strategies for communicating with children as they move through the difficult stages in their lives. She also discusses factors in today s society that are influencing children, and she shows parents how to be proactive in assisting their children in avoiding or overcoming these influences. Brown offers advice on how to sustain durable home-school connections and how to form positive, supportive connections with children that will encourage them to be mindful of their actions. The Word of God will come alive as parents and educators utilize the scriptures and principles shared in GEARED.
