ONLINE DATING FOR DUMMIES

John Wiley & Sons Inc. Paperback. Book Condition: new. BRAND NEW, Online Dating For Dummies, Judy Silverstein, Michael Lasky, Chances are, you've heard about Internet dating from a friend, or an online banner ad has caught your eye. If you've given online dating a passing consideration, you may have some fears from all those graphic horror stories that jar your senses and your sensibilities. Or you may think that meeting people via the Internet is only for the disenfranchised or socially unskilled. From their own experiences, 20 million people can tell you otherwise. "Online Dating For Dummies" will get you off the fence and on the Internet dating path with the skill of a seasoned pro. Like your best friend, this fun reference will give you the straight scoop on: gearing up with the right computer hardware; overcoming preconceived notions of who is online; talking the online lingo; enjoying conversation in chat rooms; considering date site options; establishing your screen identity; and facing the consequences of not posting a photo. Internet dating is growing at double digit rates every year, while other forms of finding a connection are flat or falling off. Internet dating, although far from perfect, is becoming the most effective and efficient method of getting introduced to a large number of available singles. "Online Dating For Dummies" shows you how to get your feet wet and how to dive in, making informed choices and exercising good judgment as you: sign up for a trial run on a dating site; try to describe yourself for your personal profile; initiate your first e-mail contact; make your first in person meeting memorable; identify frauds and players; and figure out what not to do if you really want to meet someone. Jumping into online dating with no preparation at all is...
