Emile; Or, Concerning Education; Extracts

By Jean-Jacques Rousseau

Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.One of the towering figures of the Enlightenment was Jean Jacques Rousseau, whose works were essential to the ideological developments of the 18th century. The prestige of French literature in the 18th century resides especially in its revolutionary character; while the writers of the previous century used to support the social order through their works and showed sympathy and even attempted to explain the political order of the time, in the 18th century, art, literature, philosophy and science all contribute actively and fiercely to the fight against the absolutist monarch and his regime. While this was a current manifesting all throughout Europe, there were differences in practice, especially between close countries (as was the case of England and France). Rousseau s life can best be described as a constant conflict, whether it was conflict with his wife, his employers, his colleagues and even his friends. However, such situations led to the birth of masterpieces which have been influencing the advancement of critical thinking up to the present day. The roots of his personality may be...
