VCDX Boot Camp: Preparing for the VCDX Panel Defense (VMware Press Technology)

By Mostafa Khalil

VMware Press. Paperback. Condition: New. 200 pages. VMware Certified Design Expert (VCDX) is the highest level of VMware certification: VCDX design architects are the elite of the VMware world, veteran professionals who demonstrated exceptional skill in VMware enterprise deployments. To earn a VCDX, these professionals must create a complete enterprise VMware design and undergo a grueling defense at the hands of some of the worlds most sophisticated VMware experts. Until now, theres only been one way to prepare for VCDX: to participate in a VCDX Bootcamp. Every year at VMworld and the VMware Partner Exchange, John Arrasjid offers a legendary bootcamp to standing room only crowds. Arrasjids remarkable sessions dont just attract VCDX candidates: they attract huge numbers of VMware experts who want an even deeper understanding of VMware architecture and best practices. Its no wonder: Arrasjid earned the worlds first VCDX certification, and helped architect the program. Now Arrasjid together with equally respected VMware experts Mostafa Khalil and Ben Lin have written the definitive VCDX study guide. The only book of its kind, VCDX Boot Camp covers everything you need to know to prepare, including: What the VCDX covers, and what it is designed to demonstrate Profiles of successful...
