UNMANNED

Alfred A. Knopf, 2014. Soft cover. Book Condition: New. Uncorrected proof in pictorial wraps. Clean unread copy with no markings. Not very long ago, Darwin Cole was an F-16 fighter pilot. He was a family man. He was on top of the world. Now? He's a washout drunk with a dishonorable discharge from the U.S. Air Force, living alone in the Nevada desert and haunted by an image beamed from one of his last missions as a "pilot" of a Predator drone-a harrowing shot of an Afghan child running for her life. When Cole is approached by three journalists trying to uncover the identity of the possibly rogue intelligence operative who called the shots in Cole's ill-fated mission, Cole reluctantly agrees to team up with them.
