It is the Spirit that giveth life. We should not, however, despise the letter. It is the body; and the body is of some worth as a medium for the soul. He who knows most of the word of God, though it be with but an intellectual knowledge, will be that much richer when the Holy Spirit of God touches the dry bones and bids them live. The dry bones in the Valley of Vision were better than so many stones, when the time came for the miracle of resurrection. We cannot give to our children too much Bible knowledge. They cannot know too much Bible history, nor too much Bible geography, nor be too well able to explain the obscure passages, nor too familiar with the true solution of the common difficulties which all Bible students sooner or later encounter, and which they should be able to explain.
