

Unfettered: A Philosophy of Education (Paperback)

By James B Barlow, Anil B Naik

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Just because there are problems today in education doesn't mean that we're stuck. There is so much potential. We foresee a place where students not only acquire academic knowledge, but also learn how to be in the world. It can be a positive fear-free environment in which young people can learn to thrive in changing times—where students are given the ability to seek out new challenges and create new experiences and be encouraged to do so. In this school, educators teach creativity and critical thinking, while cultivating self-discipline, self-knowledge, and freedom. Young people can leave this American institution open-minded and knowing the joys of cooperation, with a love of curiosity and learning, and aware of the world and their place in it. They can be unintimidated, unfettered and flexible in the years ahead. Our educational philosophy is that all students want to learn and can be taught. This book is not an operational manual, full of research and detailed step-by-step guides. This is a philosophical look at what our schools are about, what they should be about,...
