Reviews

The very best pdf i possibly study. It generally will not expense excessive. You wont really feel monotony at anytime of the time (that's what catalogs are for concerning should you ask me).

(Prof. Owen Sporer)

AN DUCHAS AGUS AN DOMHAN (HARDBACK)

Cork University Press, Ireland, 2005. Hardback. Condition: New. Bilingual. Language: Irish . Brand New Book. This book introduces the field and the study of Irish-folklore to Irish-speakers. While the author s *Locating Irish Folklore: Tradition, Modernity, Identity* (2000) deals with the intellectual problem of the invention of a concept of folklore and its application in an Irish context, *An Duchas agus an Domhan* both describes in detail the rich traditional culture of the Gaeltacht to which folklorists applied their training and defines the field of folklore as a scholarly discourse. It is the first such book written primarily for an Irish readership and one of the very few in any language that considers both the nature of traditional society and the discourse of folklore together. It gives a thematic treatment of vernacular worlds - concentrating on time , place and community - and of their changing relationships with the widening horizons of the state, modernity and globalization. It is based on the 19th, 20th and 21st century evidence of folklore, anthropology, (auto)biographical literature and history. Cad is bealoideas ann agus ca seasann se idir an duchar agus an domhan? Tuigtear de ghnath gur rud ducharach agus gur ghne thabachtach de chuid na sochaid traidisiunta e an bealoideas. Ach bhi caidreamh riamh ag an sochaid thraidisiunta leis an saol lasmuigh: ni raibh si neamhspleach ar an stat, ar fhorsai eacnamula naisiunta agus idirnaisiunta, ar thiarnai talun, ar an eaglais, ar an gcultúr leannta, ar ide-eolaiochtaí polaitiúla. Tugann an leabhar seo cur síos ar an gcultúr saibhir traidisiunta ar chuir scolairí bealoidis suim ann agus tugann se sainmhíniú ar ghort sin an bhealoidis mar dhioscursa leinn. Pleann se go speisialta le trí theama ar leithligh: am , áit agus pobal , agus trachtann se orthu i gcomhtheacs na sochaid traidisiunta, leathnú an...
