## ADLAI S ALMANAC: THE WIT AND WISDOM OF STEVENSON OF ILLINOIS (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from Adlai s Almanac: The Wit and Wisdom of Stevenson of Illinois Today, Illinois stands at the threshold of another era - an era in which almost any event in any part of the world can have immediate and profound impact on us. Barriers of time and space no longer isolate or protect us. And to a degree hitherto undreamed, events in America have prompt repercussions around the globe. Many watch us intently. Our mistakes, our failures, all are quickly exploited by those who watch with malice. We who meet here in Springfield today can take a long step toward making our government a model, a precept in the best tradition of self government. Nothing can stop us unless it be our own moral inadequacy, greed, selfishness, prejudice, excessive partisanship. We are here, chosen by the people, not as party agents but as peo ples agents. A common concern for the future unites us. A common desire to serve the state unites us. What Illinois can and must do is to make itself the strongest link in that mighty chain which we call the United States.
