## Block Granting Medicaid: A Model for 21st Century Health Reform?

By Edward Alan Miller

Taylor Francis Ltd, United Kingdom, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Medicaid is the largest grant-in-aid program in the United States. Reform in this area, therefore, provides a unique opportunity to study the intersection between federal and state policy making in an area recently characterized by substantial uncertainty deriving from the lingering effects of the Great Recession, ongoing debate over the federal budget, and implementation of the Patient Protection and Affordable Care Act. Invariably states reform the way health care is delivered, regulated, and financed within broader parameters established by federal statutes and regulations. It is critical therefore that effective strategies be put into place if both current and future health and long-term care reform efforts are to have their greatest chances at success. Rhode Island is the first state to receive permission to operate its entire Medicaid program under a global cap. As a consequence, it has entered the national consciousness as a key data point potentially supporting the block grant approach to Medicaid reform. In this book, Edward Alan Miller identifies factors that either facilitated or impeded the design and implementation of Rhode Island s...
