Definitely one of the better book We have possibly read. We have read through and i also am certain that i am going to gonna study once again yet again in the foreseeable future. Once you begin to read the book, it is extremely difficult to leave it before concluding.

iUniverse, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.There are those who would have you believe chivalry is dead in modern society. Stereotypically, men have lost the soft touch. Men have forgotten romance, and the image of a knight in shining armor is long past. Mr. Michael-a man who has learned the many aspects of love in his own marriage-would say otherwise. Mr. Michael would have the sadness wiped from the eyes of the beautiful women of this world. He received many wonderful gifts from God, including his wife and the love they share. Through his enlightened life lessons described in Mr. Michael Presents the Five S, he would like to share the love he found with the world. A true spiritual connection with a higher power paves the way to love on earth. The key to ending loneliness is in giving life to the divine, and fulfilling mortal relationships will follow. True love will follow, if only you discover the pure God energy within yourself. It is time to love one another, with humbleness, compassion, and honor.
