

Mask of Sanity (Paperback)

By MR Danny Merrifield

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. He s single, in his early thirties. He has a menial job as a cook in a local bar and leads a relatively uneventful (some may say boring) life, but he compensates for that by smoking a lot of grass and zoning out to the likes of Warren Zevon and Leonard Cohen. He spends his days perpetually stoned, fantasizing about one thing: Murder. His nights are spent turning those morbid daydreams into a brutal reality. The drug dealer who stiffed him on a deal? Dead. His ex-wife (and most of her family)? Gone. The girl at work who just won t take no for an answer? Dealt with. Believe it or not, this psychopath isn t even the bad guy.

Reviews

A top quality publication as well as the typeface used was intriguing to learn. Yes, it is play, still an amazing and interesting literature. I discovered this publication from my i and dad suggested this book to learn.

The publication is easy in read better to understand. It is writter in basic words and phrases rather than hard to understand. You wont truly feel monotony at anytime of your respective time (that's what catalogues are for about if you question me).
