Brand New Book ***** Print on Demand *****.Legend has it that our world was once ruled by a race of reptilians. During this age, the world looked very different than today. Atlantis was a flourishing and corrupt city. Mermaids swam in the seas; the sasquatch and minotaurs roamed the forests, and giants squelched human opposition. Later on, a catastrophic event occurred. A flood wiped out everyone on Earth except for a few people who were miraculously saved by God, and civilization started over. For every intelligent design there must be an intelligent designer. Though the age of the reptilians was washed away, the evidence was not. Our paranormal slave masters built monuments to themselves that are a testament to their legacy. Stonehenge is a prehistoric monument in Wiltshire, England. The smallest stone is 20 feet tall. The largest stone is about 25 feet tall! A long time ago, giants carried these stones to this location. Human beings may have quarried them, but it is certain that giants carried them. Today, professors at many universities teach us that hybrid creatures like the minotaurs, mermaids, giants, and sasquatch never existed. They say people like you and I built these monuments. They laugh at anyone who believes in paranormal activity. However, a growing number of people all over the world now know the truth. They believe in an alternate history. Many enlightened people believe that the reptilian race is still alive and has built underground cities! The cities are burrowed deep underground and are hidden. They are secretly mating with our species Homo sapiens and are producing hybrid creatures-creatures that look human but are not. Others say these off-worlders have already infiltrated the human race. What...
