Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Zen Poo-isms is THE PERFECT BATHROOM COMPANION! Sit, Read, Sh . Now that s Nirvana. This book isn t meant to be read from cover to cover. You can pick it up and start most anywhere. Just flip it open and gain some common sense inspiration. If you look real closely at the Zen-ish proverbs, you ll realize that most of them were conjured up by men that mostly sat around and contradicted themselves. If these people were around today coming up with these phrases, we d all call a BS foul on them. That being said, my Uncle Oswald who is quite the character, has rewritten several Zen-ish sayings and inserted the word poo to bring clarity to the aforementioned point. In the second part of the book you ll find the common sense he makes from those annoying inspirational quotes. And as a bonus you get some Oswald originals in the end.
