

Cricket Lexicon (Hardback)

By David Woodhouse, John Leigh

FABER FABER, United Kingdom, 2006. Hardback. Condition: New. Main. Language: N/A. Brand New Book. What do Australians mean when they talk of mollygrubbers or sandshoe-crushers? What are Manhattans and Wagon Wheels doing in the most English of sports? How do you tell flypaper hands from popadom fingers? Cricket - perhaps more than any other sport - has a language that delights those who know it, and confuses those who don't. While some of us have never actually heard the sound of leather on willow, everybody has heard of bowling a googly and playing a straight bat. But few know what terms like doosra and dobber mean, and how to use them like a connoisseur. From Kennington to Kensington, from Melbourne to Mumbai, talk of cricket (on and off the field) is both well-mannered and bluntly offensive, confusing and crystal-clear, old-world and cutting-edge. To ease the way through these corridors of uncertainty, Leigh Woodhouse invite you to join them on tour - so next time you talk about the game, you will be giving it some humpty.
