Reviews

The very best publication i at any time study. It really is basic but shocks inside the fifty percent of the ebook. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Marlin Swift)

WHAT THE FUTURE OF HUMANITY COULD BE

Balboa Press. Paperback. Condition: New. 128 pages. Dimensions: 8.5in. x 5.5in. x 0.3in. Do you wonder where the world is going? Do you feel like the only stability left is change? Why are we here, and where do we go from here? In this book, we explore key aspects such as politics, economy, education, art, nature, the role of women/motherhood, etc. and bring them under the light of the Initiatic understanding of renowned Initiates, Sages, and great Masters, particularly Omraam Mikhael Aivanhov. Humanity is coming to the end of an era of materialization and is at the threshold of a new era, one of spiritualization. We are at a crossroads. Our awakening and cooperation as a global family, a universal family, are the surest way to face the twenty-first century. This book is an opportunity to see with new eyes, with a new consciousness. The future can be harmonious and glorious. May we open up, go within, and explore our inner riches, the ones deposited by the Creator in the depth of our soul! The exercises of visualization and affirmation at the end of each chapter are a way to uplift your consciousness to a new realm, that of universal love and cosmic light. Enjoy! I am frequently asked in lectures and seminars, "Who today is a believable, genuine, spiritual teacher? Now I can answer without hesitation: Encounter Omraam Mikhael Aivanhov and see what happens." -Dr. Larry Dossey, *Recovering the Soul*, *Beyond Illness, Meaning and Medicine*. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
