## GENEALOGY AT A GLANCE: OLD SOUTHWEST GENEALOGY RESEARCH

2013. Soft Cover. Condition: New. Collector Bookstore is a retailer of new books located in Leavenworth, Kansas. We specialize in price guides and reference books for the antiques and collectibles industry. In order to locate travelers or settlers on this fast-changing frontier prior to 1820, researchers are told about the major document collections containing public land records and passport and travel documents, compiled at a time when the usual county court records or census records did not exist. Typical records might include names of residents, taxpayers, express riders, petitioners, and Indian interpreters. In keeping with the Genealogy at a Glance series, this research guide also contains a helpful list of books and articles for further reference, a list of major area libraries, and a list of online sources. In...
