

The War at Home: World War II in Suburban Maryland and Washington, D. C.

By James Stubbs

Createspace, United States, 2012. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.America was transformed in World War II. To those who came after, the events and situations in the wartime Washington of World War II will seem strange. Among those covered in the book was the mobilization of junior and senior high schools in a Maryland suburb in which all students were broken down into military-style units (squads, platoons, and companies!). Coach cars on crack all-nighter inter-city trains leaving Washington were the scene of a very unusual practice which never failed to occur. Civilians (men and women) insisted upon giving up their seats to men in uniform. Tales of driving in and around the blacked-out Bethesda Naval Hospital grounds at night, and vivid accounts of extremely low-flying U.S. combat aircraft over residential neighborhoods are in the book. All of this (and more) holds a promise of interesting reading, perhaps with a touch of skepticism. A brief review of the historical background will help put the book into context. That World War II was global there s no denying, but it could be broken down into two major theaters, Europe...

Reviews

It in a of my personal favorite pdf. Of course, it really is play, nevertheless an amazing and interesting literature. It is extremely difficult to leave it before concluding, once you begin to read the book.
