

U.S. Climate Finance: Nicaragua

By U S Department of State

Createspace, United States, 2014. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.The U.S. Agency for International Development (USAID) is investing \$4 million to promote clean and efficient energy use, help reduce energy consumption, and enhance conditions for increased public and private investment in Central America s renewable energy plan. Activities supported by this funding will strengthen the capacity of national and regional government institutions to support clean energy programs and projects and to harmonize regional regulatory and trade policy, including the development of the regional electricity market. The program will also finance activities to facilitate investment in regional renewable power generation.

Reviews

It is just one of the most popular ebook. It is written in simple words and not confusing. I am just happy to tell you that this is actually the finest ebook I have ever read in my very own existence and may be the greatest ebook for any time.

-- Vicky Adams

It is a single of my personal favorite publication. It usually fails to charge an excessive amount of. Once you begin to read the book, it is extremely difficult to leave it before concluding.
