

The Naturopathic Approach to Fertility (Paperback)

By Dr. Julissa CNHP Hernandez ND

Mango Media, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book. The Naturopathic Approach to Fertility offers empathy for every woman s pain and frustration, along with natural healing wisdom. Each of the ten intimate issues is treated in a separate chapter, beginning with a clear, concise explanation of the health challenge and its possible causes. Then for each condition, women will receive a comprehensive natural therapy program-including herbal supplements, dietary changes, essential oils, and more-that Dr. Julissa recommends. Like every responsible health professional, Dr. Julissa knows it s not possible to customize a specific treatment regimen for general readers; for any patient, effective healing requires a thorough in-person checkup and in-depth personal evaluation. She does, however, share powerful and inspiring testimonials from her patients-women who credit Dr. Julissa s natural therapies with overcoming their reproductive and sexual health challenges, and enriching their lives with vitality, self-confidence, and joy.
