INNER WAVES

Dog Ear Publishing, LLC. Paperback. Condition: New. 172 pages. Dimensions: 7.8in. x 5.0in. x 0.4in. Inner Waves throws down an environmental gauntlet and challenges the reader to pick it up. Cindy Bainbridge (www.bluegatefarmstudio.com) The author has the uncanny ability to turn the real into the surreal and back again. Kim O'Neill By wrapping the important environmental issue of ocean degradation in the emotion of fiction, Inner Waves points out the false choices we're making for our planet's future and sets us on the path to wholeness. Sue McKinney (www.dogfunforever.com) Environmental journalist Sarah Adams and the dolphin Esmerelda are back in this visionary sequel to Mind Whispers. This time they're trying to find the meaning of Sarah's recurring nightmare and what secret oceanographer David Lassiter is hiding. Dynamics from a past life unfold as the characters try to resolve their current situations. Find out who David really is. Is Grandfather the Biblical Jonah and what does he keep in his pocket? Why is the buffalo in the kitchen and are the rhinoceroses really eating the flowers? Is Jim Spenser a villain or a hero and will he leave David and Sarah stranded in the middle of the ocean? Inner Waves is about what happens inside the mind and what happens underneath the ocean. Suspenseful and dialogue driven, philosophical and funny, this visionary eco-novel underscores our interconnectedness from both a spiritual and physical perspective. This is provocative entertainment at its best. Debbie Blalock received a B. A. in English Literature from Duke University in 1974. She lives in Durham, North Carolina on Palofields Farm with her two adopted beagles, Sonnet and Soliloquy, and manages a retirement home for horses. Her books include Mind Whispers and The Think-(W)hole. Under her Read and Do Good program, these titles are offered at...
