

## Natural science, 3 Primary, Savia

By VV.AA.

SM, 2015. soft. Condition: New. These are Savia's educational roots: Everything revolves around the pupil: Pupils are the genuine focus of this educational process. Each person perceives reality in a different, unique way. Savia provides the tools to introduce pupils to each topic smoothly, motivating them and respecting their pace and their individual learning style. This ensures effective results. Support for the teacher: We have created Savia as a team effort, working with teachers to create a common project. With them in mind, Savia integrates practical and effective resources that make their work easier in the classroom. In addition, the collaboration between SM and the teachers does not end when the book reaches the classroom. Thanks to a network of pedagogical advisors, teachers can access direct support at their school at any given moment during the school year. This permanent exchange with teachers will also help us constantly improve our materials. Commitment to education: Savia manifests the trust we place in the power of education to better society. Based on both methodological innovation and value education, Savia introduces pupils to an educational method adapted to their characteristics and to the requirements demanded by contemporary society. The keys to Savia: Understand first, then...
