Philosophy and Fun of Algebra: A Funny Book for Beginners

By Mary Everest Boole

Createspace, United States, 2014. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.My Dear Children, A young monkey named Genius picked a green walnut, and bit, through a bitter rind, down into a hard shell. He then threw the walnut away, saying: How stupid people are! They told me walnuts are good to eat. His grandmother, whose name was Wisdom, picked up the walnut-peeled off the rind with her fingers, cracked the shell, and shared the kernel with her grandson, saying: Those get on best in life who do not trust to first impressions. In some old books the story is told differently; the grandmother is called Mrs Cunning-Greed, and she eats all the kernel herself. Fables about the Cunning-Greed family are written to make children laugh. It is good for you to laugh; it makes you grow strong, and gives you the habit of understanding jokes and not being made miserable by them. But take care not to believe such fables; because, if you believe them, they give you bad dreams. MARY EVEREST BOOLE. Arithmetic means dealing logically with facts which we know (about questions of number). Logically ;...
