WILL YOU CHOOSE WISELY? ebook.

Missing Semester LLC. Paperback. Book Condition: New. Paperback. 102 pages. Dimensions: 8.9in. x 6.0in. x 0.4in. Our financial choices have consequences. Will you choose wisely? The Missing Semester - an award winning financial guide - provides a short course on the essentials for making wise financial decisions and gaining financial freedom. Although designed with the recent college graduate in mind, the book is relevant to a much wider audience. It begins with the premise that your financial future is your responsibility, and that you cannot plan for or expect help. The book shows how to build a strong financial foundation, prepare for the unexpected, and confront challenges. The Missing Semester is a must read for any college student close to graduation. This accessible book is the central text in our financial literacy program at Allegheny College. If our young people had this book 20 years ago, it could have helped avert the 2008 financial crisis. This book is as much a public service as it is a fun read. Chris Allison Entrepreneur-In-Residence and Member, Board of Trustees Allegheny College The Missing Semester is a rare phenomenon--a book that is genuinely intended as a public service. It succeeds tremendously well in that regard. Finding simple and straightforward answers to complex questions is a real art form and these authors have mastered it. When students find our information-rich world overwhelming they should be directed to this book, because these lessons apply not only to personal finances, but also to character. David McNally, President Coe College After reading The Missing Semester, I found it to be exceptional. Many times authors forget to speak to their target audience and provide the product they think they need to produce. Matt and Gene have done a great job of talking to the students in their own language and have made the book a useful, usable...
