THE EARTH

Condition: New. Publisher/Verlag: Verso | From Myths to Knowledge | How mankind discovered the size, trajectory and age of the EarthOur planet's elliptical orbit around the Sun and its billions-of-years existence are facts we take for granted, matters every literate high school student is expected to grasp. But humanity's struggle towards these scientific truths lasted millennia. Few of us have more than the faintest notion of the path we have travelled.Hubert Krivine tells the story of the thinkers and scientists...

Reviews

This pdf may be really worth a read, and superior to other. It generally does not price too much. Once you begin to read the book, it is extremely difficult to leave it before concluding.
