Piatkus. Paperback. Condition: New. UNUSED, VERY GOOD, NOT EX-LIBRARY, bend in cover, 256 pages. Developing the ideas contained in her first book, *Living Magically*, the author offers a practical approach to everyday life and a blend of metaphysics, shamanism and psychology. The book is about having a foot in both worlds - walking with the right foot in the practical reality of everyday life, while the left treads the world of the shaman, mystic, visionary, map-maker and co-creator. It argues that, by blending the two worlds into one, we begin to heal the age-old divisions between spirit and matter, earth and heaven, masculine and feminine, personal and planetary, individuality and oneness.
