Amazon Publishing, United States, 2013. Paperback. Book Condition: New. Reprint. 208 x 138 mm. Language: English . Brand New Book. USA Today Bestseller Maggie Thomas doesn't know the first thing about being a private eye. She quickly discovers that running her uncle's faltering Miami Beach P.I. agency is nothing like watching detective show reruns. Even the private eye app on her iPhone can't help. But Maggie's first case is surprisingly easy, or so she thinks until she stumbles upon a dead body. With whizzing bullets, car chases, and spandex-clad bodybuilders, Maggie wonders if she's in over her head. Jake Jackson, the dangerously charming cop, thinks Maggie needs to stick to snapping pictures of cheating husbands and leave the detective work to the professionals. The danger escalates when another homicide victim washes up on the shore and now someone wants to stop Maggie from solving the murders. With the help of her knitting needle-wielding, orthopedic shoe-wearing assistant Dorothy Raye, Maggie must solve the case before she's the next victim of this crime wave.
