

Emotion: All That Matters (Paperback)

By Dr. Sandi Mann

Hodder Stoughton General Division, United Kingdom, 2015. Paperback. Condition: New. Language: English . Brand New Book. Despite decades of debate, psychologists are still undecided on what exactly emotion is. This book will help students and general readers to explore emotion and reach their own conclusions. The fascinating, and sometimes controversial, topics covered include what emotions actually are, how they are portrayed and recognised, why negative emotions arise and how they can be managed, whether emotion can be effectively faked or hidden, and how emotions affect decision-making. A final chapter, The route to happiness , discusses the most sought-after emotion of all, and asks how the research around emotion can be applied practically.
