Brand New Book ***** Print on Demand *****.Henry, a dedicated antibody, goes from assignment to assignment within human bodies and tries his best to save lives. A war between antigens and antibodies took place within Marin's body and Henry was there trying to persuade antibodies to quit overreacting before it was too late. But they didn't listen. When another hypersensitive young woman is about to lose her life, Henry knows it's up to him to prevent the tragedy.
