Reviews

Certainly, this is the finest job by any publisher. I was able to comprehend almost everything out of this published ebook. You won't truly feel monotony at any moment of the time (that's what catalogues are for concerning should you question me).
(Graciela Emard)

Penguin Books Ltd. Paperback. Book Condition: new. BRAND NEW, The Spy Who Came in from the Cold, John Le Carre, William Boyd, John Le Carre, From the master of spy thrillers, John le Carre's The Spy Who Came in from the Cold is a gripping story of love and betrayal at the height of the Cold War. This Penguin Modern Classics edition includes an afterword by the author and an introduction by William Boyd, author of Any Human Heart. Alex Leamas is tired. It's the 1960s, he's been out in the cold for years, spying in the shadow of the Berlin Wall for his British masters. He has seen too many good agents murdered for their troubles. Now Control wants to bring him in at last - but only after one final assignment. He must travel deep into the heart of Communist Germany and betray his country, a job that he will do with his usual cynical professionalism. But when George Smiley tries to help a young woman Leamas has befriended, Leamas's mission may prove to be the worst thing he could ever have done. In le Carre's breakthrough work of 1963, the spy story is reborn as a gritty and terrible tale of men who are caught up in politics beyond their imagining. "A portrait of a man who has lived by lies and subterfuge for so long, he's forgotten how to tell the truth." (Time). "He can communicate emotion, from sweating fear to despairing love, with terse and compassionate conviction. Above all, he can tell a tale." (Sunday Times).
