Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Repository of Arts, Literature, Commerce, Manufactures, Fashions and Politics, 1810, Vol. 4 Spreads its light wings, and in a moment ?ies. An artist may draw a figure extremely ill, yet be very eminent in some other departments, and have a reputation to preserve: but if he has not, it is exceedingly injurious to him to have his faults proclaimed in public. To draw the human figure well, I was going to say, is but a tri?e, if rightly set about. It requires a knowledge of anatomy, of proportions and of a few rules, which ought to be publicly proclaimed, and might be easily understood. I have heard that Mr. Carlini, an Italian, and formerly keeper of the Royal Academy, when he saw a young artist vain of this tri?e, would say, Don t think you know a great deal, when you know almost nothing. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
