A YELLOW WINGED STRANGER (PAPERBACK)

Leadstart Publishing Pvt Ltd, India, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. In a recent murder, a man is indicted. His Modus Operandi or Method of Operation is the signature of an infamous notorious serial killer named The Black Smith , known for inflicting grave torturing prior to putting his victims to death. The Black Smith s killing spree spanned over a period of 20 years. Due to the varied victimology, it made it utterly impossible for the Law Enforcements, including the Federal Investigating Unit to profile him until very recently; 83 victims had his insignia. During the early years, when he started, he was referred to as the copy cat , copying the MO of a serial killer, Full Moon Butcher of the 80s, to the very exact detail - who went dormant almost suddenly.The indicted man is shifted to a high security prison, where he unusually comes across a series of writings on the cell wall. These writings contain unusual depictions about an undiscovered life, of a supposed Yellow Winged Stranger , the Master of the Ordinary; an ex-prisoner trapped in the compulsion of his own making. And he has a message for the convict.
